

315192
PN 16

Technical drawing of a cross-section of a cylindrical component. The drawing shows a central shaft with a textured section, surrounded by a housing. Callouts 1 through 5 identify specific parts: 1 points to the outer housing, 2 points to the inner housing, 3 points to the central shaft, 4 points to the left flange, and 5 points to the right flange. A dimension line 'b' is shown at the bottom right, indicating a length or diameter.

Wafer-type to be mounted
between flanges

Variants:
Soft sealing

Other dimensions/materials on request
